

FIRE ENGINEER

(Promotional Class)

GENERAL STATEMENT OF DUTIES

Extinguish and prevent spread of fires; rescue persons from burning buildings, routine maintenance and custodial work on equipment and grounds, and related work as required.

DISTINGUISHING FEATURES OF WORK

This is responsible, skilled, and hazardous work in the driving and operation of fire department vehicles and apparatus, involving considerable technical knowledge of fire fighting apparatus, techniques, and tactics.

Employees of this class are assigned as members of a fire company, respond to fire alarms and emergency calls driving fire vehicles, operating equipment, and performing other such duties as directed in the containment and extinguishment of fires and assisting in fire prevention activities. Work in this class may involve command of and responsibility for station house, grounds, equipment, and routine activities in the temporary absence of the fire captain. This class ranks immediately below that of Fire Captain and employees of the class are under the direct supervision of the fire captain.

ILLUSTRATIVE EXAMPLES OF WORK

(NOTE: These examples are intended only as illustrations of the various types of work performed in this class. The absence of specific statement of duties does not exclude such tasks from the position if the work is similar, related, or logical assignment of the position.)

Responds to fire alarms and emergency calls with fire company;

Operates all departmental vehicles and equipment;

Lays and connects hose, turns water on and off when not engaged in pumping operations;

Carries, erects, and climbs ladders into burning buildings when necessary;

Removes persons from burning building and administers first aid to injured persons when required;

Ventilates burning buildings, holds fire hose, and directs fire streams onto fire;

Performs salvage and overhauling operations at scene of fire;

Supervises and participates in cleaning and maintaining fire fighting equipment, dries hose, reloads truck with dry hose, refills booster tanks, cleans and maintains station and grounds, keeps premises neat;

Performs other routine custodial and maintenance work at station;

Stands telephone and station watch as required;

Studies methods of fire fighting and first aid and attends practice sessions and classes of instruction;

Drives department vehicles to and from fires as directed;

Performs other such tasks as required for the protection of life and property, when directed by superior officers.

QUALIFICATION REQUIREMENTS

Unless otherwise specified, all requirements listed below must be met by the filing deadline for application for admission to the examination.

Must meet all requirements of the Municipal Fire and Police Civil Service Law, including being a citizen of the United States.

After offer of promotion, but before beginning work in this class, must pass a physical examination, the selection and administration of which will be authorized by the Appointing Authority, designed to demonstrate good health and physical fitness sufficient to perform the essential duties of the position, with or without accommodation.

Must possess a valid Louisiana driver's license.

Must be a regular and permanent employee in the class of Firefighter First Class immediately preceding application deadline.
